

Appropriations Request Letter Now Online

Through the Congressional Appropriations process, I work on behalf of municipalities, community groups, and not-for-profit organizations across the district to obtain federal funds to make street improvements, computerize medical records, improve our water quality and protect our nation. Please click on the link below for a full list of the projects I requested funding for in Fiscal Year 2010. If you have any questions about the requests I have made on behalf of the 2nd Congressional District of Illinois please contact my office.

Safe, Accountable, Flexible, Efficient Transportation Equity Act

This legislation will transform our surface transportation programs by strengthening the current Federal-state-local partnership, ensuring that programs meet specific performance-based metrics, and providing for greater transparency and accountability for Federal, state, and local decision making. According to House rules, below is a list of projects I have submitted on behalf of the 2nd Congressional District of Illinois. Please contact my office if you have any questions.
